

FACT SHEET

STUDY AT EIGSI

WITHIN AN EXCHANGE PROGRAMME

Name of the institution	EIGSI La Rochelle-Casablanca
(European) University code	F LA-ROCH09
Erasmus University charter	68237-LA-1-2014-1-FR-E4AKA1-ECHE
PIC Code (Erasmus +)	994700081
Website	www.eigsi.fr - www.eigsi.fr/?lang=en (exchange students)

Adress	26 rue de vaux de Foletier
International Relations Office	17041 LA ROCHELLE Cedex 1 - FRANCE
Head of the office	Ms Hannelore GUERRAND – mobility@eigsi.fr
Incoming students	Ms Karine NOMINÉ mobility@eigsi.fr Phone: +33 5 46 45 80 09

ADMISSION PROCEDURE

1. The Home University **nominates** the students to EIGSI at mobility@eigsi.fr
2. The Home University or the students send the **application documents** at mobility@eigsi.fr
3. The decision on your application will be communicated within 2 weeks **after** the application deadline.

NOMINATION: Deadlines and procedures

For Universities :

The home university sends an email with the name and email of selected students for the exchange to mobility@eigsi.fr

DEADLINE FOR NOMINATION	DEADLINE FOR APPLICATION DOCUMENTS
Fall semester – 15 May	Fall semester – 29 May
Spring semester – 16 October	Spring semester – 30 October

For Students:

Nominated students apply for admission by sending an email with the following documents :

- Application form – [Link google form](#) → [INCOMING 22-23 - STUDENTS REGISTRATION](#)

In the google form the following documents are requested:

- Curriculum vitae
- Transcript of records
- Copy of ID card or passport
- Photograph passport size
- English test proficiency (official certificate): B2 Level – mandatory
- French test Proficiency (letter from a French teacher): A2 level - minimum recommended for daily life

Concerning the learning agreement:

- ⇒ Learning agreement **Typewritten** - for students non-Erasmus+ Students
- ⇒ **Online Learning Agreement for Erasmus+ Students** : <https://learning-agreement.eu/>

(for approval of the study programme, a *learning agreement* with the courses selected and the number of credits needs to be sent and signed by students, their home institution and EIGSI before the exchange period starts.)

ACADEMIC CALENDAR 2022-2023

CAMPUS LA ROCHELLE

Autumn Semester – S7 - 4th year

Semester in English : GEP

Orientation week: 29/08/2022 – 02/09/2022

Beginning of term: 05/09/2022

End of term: 16/12/2022

Exam period: continuous + week 50

Semester break: weeks 44/2022

Spring semester – S8 – 4th year

Semester in French : Core programme and/or Major

Beginning of term Core Programme: 02/01/2023

Beginning of term Major: 27/02/2023

End of term: 12/05/2023

Exam period: continuous + week 19

Semester break: week 7 (only if all academic unit validated)

CAMPUS CASABLANCA

Autumn Semester – S7 - 4th year

Semester in French: GEP

Beginning of term: 05/09/2022

End of term: 16/12/2022

Exam period: continuous + week 50

Semester break: none

Spring semester – S8 – 4th year

Semester in French: Core programme and/or Major

Beginning of term Core Programme: 02/01/2023

Beginning of term Major: 27/02/2023

End of term: 12/05/2023

Exam period: continuous + week 19

Semester break: week 7 (only if all academic unit validated)

ORIENTATION WEEK

Autumn semester: an orientation week is mandatory in August for all exchange students before the semester start with French courses; Practical information; discovery of La Rochelle, social activities...

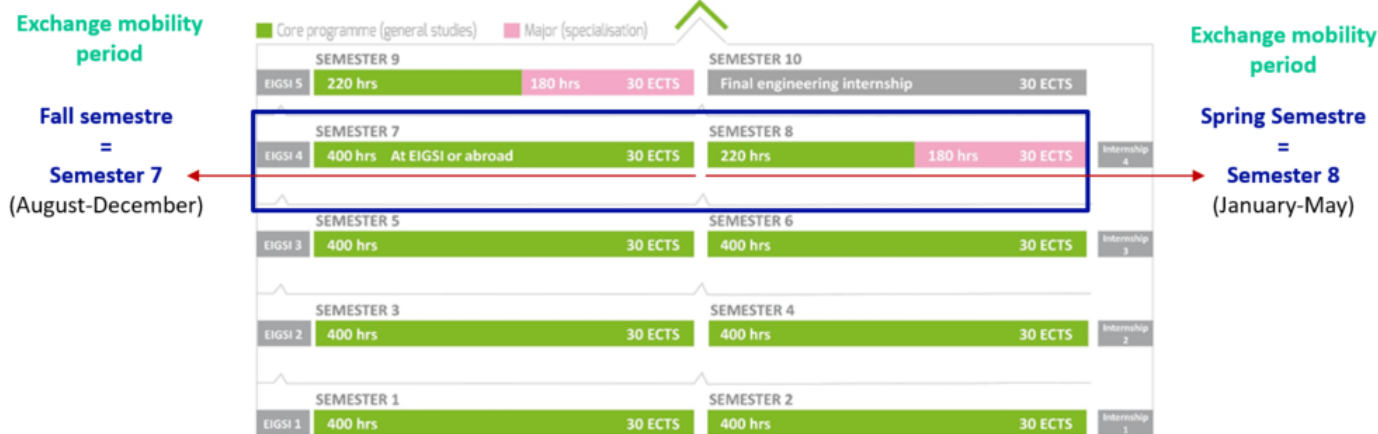

From Monday 29th August (arrival of the students) to **Friday 02nd September 2022**

ACADEMIC INFORMATION

FIELD OF STUDY:

EIGSI's Engineering Degree (Master of Engineering)

10 semesters – 300 ECTS

Students have the choice between several programmes offered during the 4th year of Engineering degree (equiv. Second cycle / 1st year Master's or equivalent).

All study programmes are granted in ECTS credits. A full-time workload amounts to 60 ECTS credits per academic year.

Each Academic Unit (or Teaching Unit) includes several modules.

Validation of one Academic Unit (A.U) is granted if the weighted average of modules of this A.U. is greater than or equal to 10/20.

Study @Eigsi within an exchange programme:

One semester exchange:

Fall semester – from August to December (semester 7)

+ Global Engineering Programme GEP - in English

- 100 % Courses taught in English with 2 options **Data Science** or **Mechanical & Energy Engineering**
- French as Foreign Language courses
- **The student must take a minimum of 2 Academic Units - Courses of an academic unit cannot be divided.**

+ Research Project - in English

Main Areas of Research: **Mobility (Intelligent and Integrated Mobility) and Energy (Energy and Sustainable Urban Coastline)**

- Electrical Vehicle & Batteries
- Alternative Energy Sources, storage and & transport
- Sustainable Design in Research and Development of Product
- Industrial Processes & Organization
- Transport and Urban Mobility

Spring Semester – from January to May (semester 8)

+ Core programme

- Courses taught in French
- **Courses of an academic unit cannot be divided.**

+ 1 Major

- 10 majors taught in French
- 1 Major taught in English => “Industrial performance”
- **1 Major = 15 ECTS – it cannot be divided. The student must take all the courses.**

+ Research Project - in English

Main Areas of Research: **Mobility (Intelligent and Integrated Mobility) and Energy (Energy and Sustainable Urban Coastline)**

- Electrical Vehicle & Batteries
- Alternative Energy Sources, storage and & transport
- Sustainable Design in Research and Development of Product
- Industrial Processes & Organization
- Transport and Urban Mobility

One academic year exchange:

Fall semester – from August to December (semester 7) + Spring Semester – from January to May (semester 8)

- Courses taught in English (S7) and mostly in French (S8), except projects and the major “Industrial performance” → in English (S8)!

Limited number of places for the majors

LIST OF COURSES

ENGLISH COURSES CATALOGUE

Campus EIGSI La Rochelle – France

Language requirements:

B2 level in English (mandatory) + A2 level in French (minimum recommended)

Fall semester (Semester 7 – 4th year)

▪ **Global Engineering Programme – in english**

SEMESTRE 7 ACADEMIC UNIT (A.U)	MODULES	COEF / ETCS	
		Coef / MODULE	Credits / A.U
1 - ORGANISING & MANAGING	Business Game	1	6

	Soutenance	1		
Being an Engineer Today	Contrôle continu	1	2	

One academic unit cannot be divided. The student must take all the courses of a same academic unit.

PRACTICAL INFORMATION

ACCOMMODATION

EIGSI does not offer housing for exchange students but provides information and a list of external accommodations.

Useful address :

All the information related to accommodation in La Rochelle is available on the school website:

<https://www.eigsi.fr/campus-life/accomodation/?lang=en>

Contact:

Housing department - Phone. +33 5 46 45 80 05 – email : logement@eigsi.fr

STUDENTS FROM A COUNTRY *WITHIN* THE EUROPEAN UNION

VISA

Resident permit

Students from a country within the European Union do not need residency permits but must have a valid ID Card and/or passport

INSURANCE

Students Social Security

They are exempted from registration with the general national healthcare system through the Caisse d'Assurance Maladie website as long as they hold either a European health insurance card (or temporary certificate) and an international private insurance valid for the entire academic year.

Students should send social security documents to the International Relations Department by email at mobility@eigsi.fr once accepted:

- Copy of the [European Health Insurance Card \(EHIC\)](#) - CEAM in French) - Compulsory
- Proof of coverage by a conventional healthcare system or private insurance, translated into French or English.

Students without European Health Insurance Card (EHIC) must be registered with the general national healthcare system through the [Caisse d'Assurance Maladie website](#).

Additional insurance

All students are required to take out civil liability insurance.

This insurance is included in renter's insurance, but the coverage is very limited. It is preferable to take out a more complete policy through the "vie étudiante" insurance.

STUDENTS FROM A COUNTRY OUTSIDE THE EUROPEAN UNION

VISA

Resident permit

International students from a country outside the European Union must have a **long stay visa**.
A pre-registration certificate is provided at the start of Campus France procedures.

The procedure to validate their residence permit must to be made ONLINE in a maximum of 3 months after their arrival;
They must have a personal postal address in France and a French bank card (the opening of bank account will be made on their arrival. This validation is essential to stay in France on a regular basis.

The visa is usually valid for one year.

Office Français de l'Immigration et de l'Intégration (OFII - French Immigration Office):

Immediately upon arrival at EIGSI, and also 3 months after their arrival, students will carry out procedures required by OFII, pay the tax online (**tax of 1st issue: 50 €**) and validate their Long Stay Visa.

This is done on the validation website: <https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/>

Online payment by Credit card (visa/Mastercard)

After payment of the fee, the visa will be validated. A certificate will be sent by email.

Students must keep this certificate carefully. It will be necessary for the procedures of registering for Social Security (CPAM), application for housing assistance (CAF) and renewal of residence permit.

INSURANCE

Students Social Security

Students from a country outside the European Union must be registered with the general national healthcare system through the [Caisse d'Assurance Maladie website](#).

This registration is free of charge.

This affiliation only covers part of the health costs (up to 70%). Some expenses are not covered: hospitalization, optical and dental expenses.

Their birth certificate translated into French is necessary to complete these procedures (Social security, CAF..)

Exception: Quebec

Presentation of a valid form **SE 401 Q 106** exempts students from registering with French social security.

Students who come to EIGSI for less than 3 months are not covered by the student health insurance plan. Therefore, they must take out insurance in their home country that is valid in France.

“Mutuelle” : Additional healthcare and insurance

All students are required to take out civil liability insurance.

This insurance is included in renter's insurance, but the coverage is very limited. It is preferable to take out a more complete policy through the “vie étudiante” insurance.

The mandatory state insurance does not cover all healthcare costs. Only **70 to 80% of medical costs are covered**.
Hospitalisation costs, dental care and optical costs are not covered and are very expensive.

In addition, students must take out **civil liability insurance**. This insurance is underwritten in the framework of an insurance company is very limited. It is better to subscribe and complete **student life insurance**, which is more beneficial.

EIGSI also has an agreement with a healthcare insurance provider for students, [SMERRA](#), for **2 Packs Santé**.

ESTIMATED COST OF LIVING

The budget of a student in La Rochelle is around € 850 per month.

Example of monthly budget in Euros €

Average monthly rent	€450
Food (university restaurant, price of a meal: €3.25)	€250
Insurance (renter's, liability, healthcare)	€50
Daily expenses (telephone, laundry, entertainment, etc.)	€100
Estimated total	€850 per month
