| VISA |

Resident permit

European Students:
Students from a country within the European Union do not need residency permits but must have a valid National Identity Card and/or passport.

Non-European Students:
International students from a country outside the European Union must have **a long stay visa**.
A pre-registration certificate is provided at the start of Campus France procedures.

The procedure to validate their residence permit must be made ONLINE within 3 months at the latest after their arrival. They must have a personal postal address in France and a French bankcard. This validation is essential to stay in France on a regular basis.

The visa is usually valid for one year.

Office Français de l'Immigration et de l'Intégration (OFII - French Immigration Office):
Immediately upon arrival at EIGSI, and also within 3 months after their arrival, students will carry out procedures required by OFII, pay the tax online (**tax of 1st issue: 50 €**) and validate their Long Stay Visa.
This is done on the validation website: https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/
Online payment by Credit card (Visa/Mastercard).

After payment of the fee, the visa will be validated. A certificate will be sent by email.
Students must keep this certificate carefully. It will be necessary for other procedures.
